Notice to Parents/Guardians

SECTION 504 OF THE REHABILITATION ACT OF 1073

Section 504 of the Rehabilitation Act of 1973 prohibits discrimination against persons with a disability in any program receiving federal financial assistance. In order to fulfill obligations under Section 504, Compass High School has the responsibility to avoid discrimination in policies and practices regarding its personnel and students. No discrimination against any person with a disability should knowingly be permitted in any of the programs and practices of the school system.

Compass High School has the responsibilities under Section 504, which include the obligations to identify, evaluate, and if the student is determined to be eligible under Section 504, to afford access to appropriate educational services.

If parents or guardians disagree with the determination made by the professional staff of the school district, they have a right to a hearing with an impartial officer.

The Family Educational Rights and Privacy Act (FERPA), also specifies rights related to educational records. This Act gives the parents or guardians the right to: 1) inspect and review their child's educational records; 2) make copies of these records; 3) receive a list of the individuals having access to those records; 4) ask for an explanation of any item in the records; 5) ask for an amendment to any report on the grounds that it is inaccurate, misleading or violates the child's rights; and 6) a hearing on the issue if the school refuses to make the amendment.

SUMMARY OF CHILD FIND PROCEDURES FOR PARENTS AND STAFF

In compliance with federal legislation, Compass High School has established the following policies and procedure for Child Find purposes:

Compass Policy assures that:

1. Compass will maintain documentation of the public awareness efforts to inform the public and parents within the district's boundaries, including private and religious schools and the County School Superintendent's office regarding homeless and home-schooled children.
2. Screening activities will be implemented for all newly enrolled students and those transferring in without sufficient records.
3. The screening will be completed within 45 calendar days of school entry.
4. The screening will include consideration of academic or cognitive skills, vision, hearing, communication, emotional, motor and adaptive development.
5. Review referral and follow-up will be done on screenings and documented in the child's cumulative file, with back up data on the district's Child Find Screening Log.
6. Compass High School will maintain documentation and annually report the number of children with disabilities within each disability category that have identified, located, and evaluated.
7. Compass High School will refer children aged birth through two years suspected of having a developmental delay to the Arizona Early Intervention Program (AzEIP) to determine eligibility for early services, using the Child Find Tracking Form to ensure follow up within 30 calendar days of initial referral.
